

## The City of Baltic Launches TextMyGov Text Alerts for Residents.

The City of Baltic is pleased to announce the launch of TextMyGov Text Alerts, a new text messaging notification service that will provide residents with important updates and alerts in the area. This smart texting solutions works with regular SMS texting, so no app or download needed.

The goal of this program is to keep citizens informed about what is happening in their community.

Residents will receive text message notifications for things such as snow alerts, road closures, water emergencies and upcoming events.

**Sign up to receive city text message notifications!**

Opt-in today,

Text **BALTIC**

To: **91896**

### What to expect:

- After the initial keyword is sent, you will receive a confirmation message asking you to reply “YES” to verify opt-in.
- Residents can expect to receive about 5 text messages a month.
- Message and data rates may apply. Check with your carrier for more details.
- You can text STOP at any time to remove yourself from the notification list.
